

### This Lovely Week:

**Tomorrow is Kinder Kitchen!** We will be making muffins! The class would like to make a few different types of muffins, including blueberry, strawberry, banana and chocolate chip! Please feel free to send in these items if you can.

**Swimming** in Term 3 is on Days 2, 5 & 7. This week this falls on **Tuesday and Thursday**.

**Math:** We have been learning about addition and we're doing a really great job! Today we will learning a little bit about subtraction! 😊

**Literacy:** We are learning to sound-out the words as we try to write them and put spaces between our words. We are also starting to learn about punctuation! 😊
