

Wonderful Starfish Parents,

Tomorrow is Day 5 – Which means Kinder Kitchen Day! We will be making **“Friendship Pizzas”** out of thin pancakes, yogurt, nutella, and fruits! **Please feel free to send in fruity yogurt and/or fruits such as strawberries, blueberries, kiwi, bananas, grapes, etc. for our colorful & yummy pizza deserts!**

As always, the students will be responsible for cutting the fruits themselves using our sharp but very safe plastic kitchen knives. They LOVE them! And the independence of making their own healthy snack! 😊
